J. S. McLean, Esq.,

Treasurer, University Settlement.

Dear Mr. McLean:

I am sending you Miss Newton's letter. Will you kindly lay it before the Executive Committee of the Settlement ?

I have written to the Mayor and asked him whether he would give us a grant. I have also told Miss Newton that if we undertake work of this kind we must see that we always have a supply of Doctors for the Dispensary, and perhaps that if the City Nurses are given quarters for which they pay the other friction of which she spoke to me will be remedied.

With kind regards, I am,

Yours sincerely,

President.

Dear Mr. McLean:

I am sending you a letter from Dr. Shearer, which seems to me to put our requirements now on a solid basis. I am to see Miss Carson on Saturday and Mrs. Ware on Monday. I have been unable to make arrangements before this. After Monday I think we had better go down to Dr. Hastings and arrange with him about the rooms.

Yours sincerely,

President.
